Dr. Jane Henney, Commissioner,
US FDA
5600 Fishers Lane, Room 1471
Rockville, MD 20857

June 2, 1999

Dear Dr. Henney;

I urge the FDA to ban the use of human antibiotics in animal feed.

European countries have already banned the use of four human anti-biotics in animal feed in order to protect the health of their citizens.

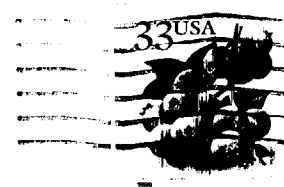

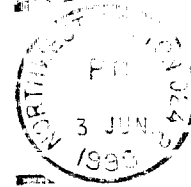

I would like to think that our own country is equally as interested in the health of its citizens.

Sincerely,

Marjorie D. Moerschner
